SPECIAL NOTICE—No employee is authorized to alter these terms.

Take notice: All persons acknowledge to have full knowledge of these terms and agree to be bound thereby. Bidders shall be held liable under these Terms and Conditions of Sale for every article knocked down to them. The Auctioneers reserve the right to add one or more to the following Terms and Conditions of Sale.

1 DISPUTE BETWEEN BIDDERS.—The highest bidder to be the buyer, subject to the terms of sale, and if any dispute arises between two or more bidders, the Auctioneers shall either decide the same or the lot so in dispute shall be immediately put up again and re-sold. The Auctioneer's decision shall be absolute.

2 NOMINAL OR FRACTIONAL BIDS.—Any bid which is merely a nominal or fractional advance may be rejected by the Auctioneer if in his judgment such bid would be likely to affect the sale injuriously.

3 DEPOSIT AND IDENTIFICATION.—Purchasers shall give names and addresses and make a deposit of 25 per cent. of the bid, or so much more (up to the full amount bid) in cash or certified check drawn to the order of the auctioneers, at the auctioneer's demand and option. In default of such deposit being made, the lot may be immediately put up again and re-sold.

4 CONDITION OF ARTICLES SOLD.—The lots shall be taken away and paid for at the buyer's risk and expense within the time announced by the Auctioneer, the Auctioneer not being responsible for the correct description, genuineness, authenticity or defect in any lot, and making no warranty in connection therewith. No sale will be set aside nor allowance made on account of any incorrectness, error in cataloguing, or any imperfection not noted. No deduction on damaged articles, all goods are exposed for public exhibition, and sold "as is" and without recourse. Purchases will be delivered only upon presentation of receipted bill therefor.

5 REMOVAL, EXAMINATION AND PAYMENT.—No lot can on any account be removed during the sale; and the full purchase money on all lots sold to the same buyer must absolutely be paid within the time fixed and before the examination or removal of the goods.

6 TIME ALLOWED FOR PAYMENT AND REMOVAL.—The time allowed for payment of bills and removal of goods is either printed in the catalogue or announced by the Auctioneer and can always be obtained from the office of the Auctioneers. It is the duty of all purchasers to inform themselves thereof and no responsibility shall rest upon the Auctioneer by reason of the purchaser's ignorance thereof. The Auctioneer shall have the right and option, but shall be under no obligation, to remove and store, at purchaser's expense and risk, any article not paid for and removed by the purchaser within the time allowed, pending final disposition thereof.

7 PURCHASER'S RISK.—All purchases made at this sale are at the purchaser's risk as soon as they are struck off and deposit made; the Auctioneers and their principal not being responsible if all or any part of such purchases be lost, stolen, damaged or destroyed from any cause whatsoever.

8 CLAIMS.—All claims must be made before the removal of the goods.

9 RECORDS.—The record kept by the clerk of the sale, together with the marked catalogue of the Auctioneers, shall in all cases be accepted by the buyers as final when any question arises.
